**We were made
for snow.**

That's why we were chosen as the official photographers of the 1984 Birkebeiner. Our team was stationed at key points around the cross country course, striving to save each entrant's determination on film.

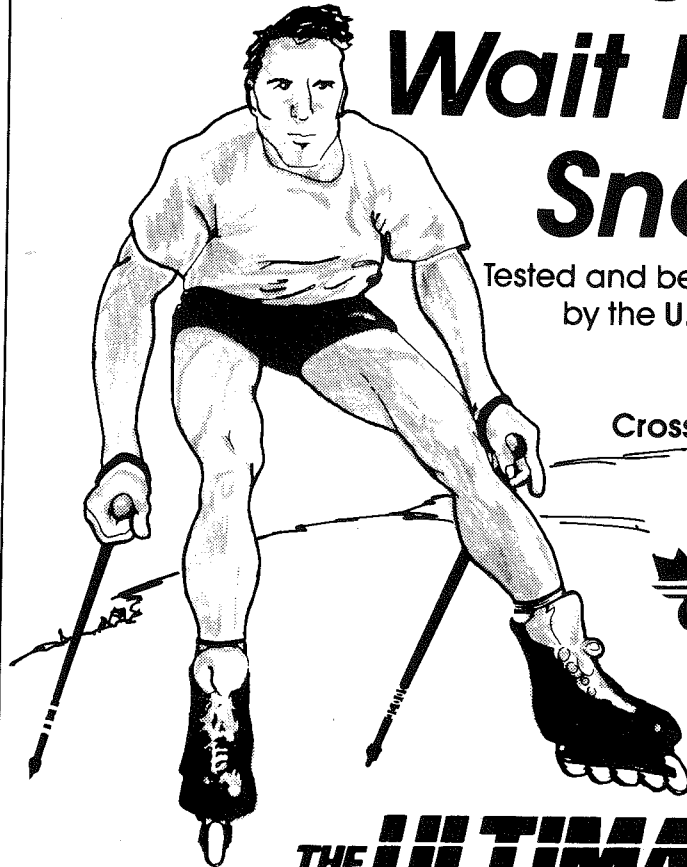

If you were one of the thousands of skiers we photographed you'll be receiving a wallet size proof in the mail. With this proof will be prices and instructions for ordering enlargements. Each enlargement will have the race name and date printed on the bottom for easy future recognition. If you don't wish to order, keep the proof as our gift to you.

We're sure you'll agree the sweat and effort you put into the Birkebeiner is worth remembering. The pride you take in racing is like the pride we take in saving it.

Thanks to Everyone from 8,000 Birkebeiners

On behalf of the more than 8,000 Birkebeiner skiers, officials of the American Birkebeiner XII would like to express sincere thanks to these race sponsors. Without their support, the Birkebeiner would not have been able to become the largest skiing event in North America! And a very special thanks to all who helped move 450 truckloads of snow to the start. Your tireless help made Birkie XII a reality!

MAXWELL HOUSE COFFEE - Maxwell House Coffee returned to the American Birkebeiner as the major race sponsor this year. On behalf of all Birkebeiner skiers, race officials would like to welcome Maxwell House back.

SWIX SPORT USA - One of our most important sponsors, Swix officials were responsible for official waxing tents and waxing stations, plus posting of pre-race waxing information.

ROSSIGNOL/SALOMON - Members of the Rossignol/Salomon factory team were on hand all week for special demonstrations of Rossignol equipment, including the Silver 44 ski, along with the new Salomon boot-binding system that has revolutionized boot-binding concepts.

4X COMMUNICATIONS - 4X Communications of Menasha, Wisconsin, provided much needed radio support with over 50 GE radios being provided to race officials during the race.

WOOLRICH/3M - Woolrich and 3M, now in their fifth year of involvement with the Birkebeiner, provided special Thinsulate parkas to race officials - an important item for workers who will labor many hours in the cold and snow!

THE CREAMETTE COMPANY - One of the Birkebeiner traditions that has developed the past few years is the annual Creamette Spaghetti Buffet Friday evening. A special thanks for Creamette's carbo-loading support.

SHAKLEE - Over 12,000 Shaklee fruit bars were distributed to skiers during the American Birkebeiner. The nutritious fruit bars are being distributed at all Great American Ski Chase events this year.

HOLSUM BAKERY - Solid food is important as the race draws on, and this season 10,800 powdered-sugar donuts were available at food stations near the end of the race.

GATORADE - Gatorade, a Quaker Oats company, played a major role in the race providing important electrolyte drink at food stations and the high-carbo drink Gatorlode 280 at the Spaghetti Feed.

CHIQUITA BRANDS - Back again this year was Chiquita Brand bananas, a popular food item every year. Over 20,500 bananas were given out on the course and at the finish.

HAYWARD COMMUNITY SCHOOLS/DRUMMOND SCHOOL DISTRICT - The Hayward, Cable and Drummond Community Schools have once again proved to be a good friend to the Birkebeiner skiers, providing dormitory space for over 2,000 skiers.

LAC COURTE OREILLES TRIBE - A very special thanks goes out to the LCO tribe, which has provided dormitory accommodations for skiers on the reservation near Hayward and also invited all foreign competitors to spend a day at the reservation, including a ski race and an Indian pow wow.

TEXGAS CORPORATION - Hayward's Texgas Corporation has provided propane gas for use in keeping all essential liquids warm at food stations during the race.
