# Celebrate health!

*Our celebration is your celebration.*

*In 1891, clinic founder Dr. Adolf Gundersen arrived in La Crosse to practice medicine. It was the beginning of a medical experience that touches the lives of hundreds of thousands of families a century later.*

*This is a time to reflect on a tradition of trust and confidence . . . an era of progress. An opportunity to look forward to our children outliving our*

*great-grandparents by 25 years. A time to realize that the lifestyles we choose can mean healthier, longer, more fulfilled lives.*

*The standard of excellence Dr. Adolf set for himself has been carried on not only by four generations of Gundersens but also by countless talented specialists and dedicated employees. This is the Gundersen medical experience.*

*And . . . a time to celebrate health!*

## From Birkie Headquarters ...

The American Birkebeiner Ski Foundation Board of Directors and Race Staff would like to express the most sincere THANKS for your participation in the 1991 American Birkebeiner, a race which will continue to be known as one of the best in the world.

As usual with an event of this magnitude there were some problems encountered, this year being especially difficult due to weather conditions. What sets the Birkie apart from other events of its kind is the fact that it is always changing, building on ideas that are proven successful, and improving areas that fall short of expectations. Since this year's events, race organizers have been busy analyzing what went very well, and also the areas where problems arose. We apologize for any inconvenience some of you may have experienced this year, and want you to know that we are committed to staging the best ski race in the world, providing a great experience for every skier who takes part.

Lack of snow accounted for the change to the alternate start area in Rosie's Field. The race committee has finalized plans for work that will be completed this summer to provide an alternate area for the course to run in order to by-pass the open fields where the problems exist to insure that the full course will be usable if at all possible. Plans are also underway to continue the brushing to widen the trail to insure positive conditions for both skaters and striders.

The additional snowfall the day of the race, coupled with the unforeseen change of the start area, resulted in problems with traffic flow at the start of the race and at Telemark Lodge. The plans have been revised for next year's race to provide for adequate parking and a shuttle bus service at both the start (and alternate start area) and at Telemark Lodge.

Weather was also a factor with the lack of oranges at the food stations. Because of the freeze, we were unable to secure oranges from our supplier or any other. Adequate amounts of Exceed, bananas, donut holes, water, etc., were provided at the stations in place of the oranges.

A heartfelt thanks to our many volunteers for all you have done to make the Birkie a success, for without you there would be no Birkie. Also a special thank you to Lea Justice and Harold Treland for stepping in during my absence to insure the success of the race.

In closing, we have begun plans for an extraordinary anniversary celebration for the 1992 American Birkebeiner. We hope to see all of you back for this very special week to help celebrate the 20th year of the Birkie, a skiing tradition second to none.

# After First Successful Year, Team Birkie Focuses and Diverges

Supported by the American Birkebeiner Ski Foundation, organizers of the American Birkebeiner race, America's largest at 6,500 skiers, Team Birkie provides elite level coaching at a series of camps and competitions to help midwest cross country athletes reach new plateaus of excellence. The goals of the program are to raise the level of skiing in the midwest, to help midwest junior skiers become competitive nationally and internationally, and to support educational programs for coaches and athletes.

In its first year, Team Birkie hosted 12 camps and was represented at all levels of racing in the midwest and United States, from local high school races up through the U.S. National Championships. Team members scored impressive wins at all levels of competition, including the U.S. Nationals, collegiate races, masters races, Junior Olympics and in many smaller races.

Even more impressive than the results was the focus and dedication of the skiers involved, their improvements, and the spreading of information that evolved from the camps and coaches educational programs. Team Birkie, in its first year, had an impressive impact on midwest skiing!

Moving into the 1991-92 season, the staff of Team Birkie and the American Birkebeiner Ski Foundation Board have agreed on some changes which will both focus the direction of Team Birkie as well as offer opportunities for a broader range of skiers.

The core of Team Birkie will consist of junior skiers who will start on the team as high school freshmen, sophomores or juniors. To get onto Team Birkie, young skiers must be nominated by a coach or another adult skier. A list of results and goals must be included with the application. Out of applicants, a group is selected

to be invited to two camps during the summer to be held June 14-17 and August 9-12. Following the second camp, 10 to 15 of the nominated skiers will be invited to join Team Birkie on a full-time basis. Athletes, once selected, may stay on Team Birkie through the summer following their senior year in high school. This method allows for Team Birkie to continually help talented young skiers move to the next levels of ability.

All Team Birkie members, whether junior or senior from the past season, will remain on the team for the coming year. The current juniors will remain members through their senior year in high school. Senior members of Team Birkie will be invited to continue their involvement as instructors, staff and help.

The coaches educational programs will be increased to include three weekends (open to all coaches and instructors). Additionally, two coaches will be invited to attend each camp as interns to gain first-hand experience. Since Team Birkie is not intended to replace local programs, but rather to be a resource for athletes and coaches, one of the goals is to help not only at Team Birkie camps, but to involve the

local coaches of team members, and share information between programs.

Another exciting program to be added to the Team Birkie concept is that of camps designed especially for senior and master skiers. There will be four Team Birkie booster camps which will allow any racer who wishes to be involved with Team Birkie and have access to the information and coaches that Team Birkie offers the chance to participate. Participants will receive two full days of instruction, a T-shirt, a training plan and a technique video. The series of four camps will help you stay in touch from June through the race season. An application and schedule are included in this issue.

The final prong of Team Birkie is fund raising. Team Birkie will be running a series of fund raising events including roller races, Birkie trail tours, T-shirt sales, and a major fund raiser-dinner-auction in the Twin Cities this fall. One additional big area of support is through private donations.

If you would like to help support the development of this quality youth program, tax deductible donations can be sent to the American Birkebeiner office.

## Twin Cities XC Ski Banquet Planned

The Twin Cities Cross Country Ski Banquet is planned for Thursday, November 21. Put that date on your calendar right now!

This gathering of everybody who is anybody in cross country skiing (and that includes all of you who have skied the Birkie) will feature dinner, special speakers, mammoth door prizes, and an auction including everything that you might ever want for cross country skiing. Watch for future announcements of this great event.

Banquet tickets are available for \$40 (\$75 for a couple) before September 1; and \$45 to November 21. All proceeds will go to support Team Birkie programs.

If you would like to order tickets, send a check made out to Team Birkie and send it to: Twin Cities XC Ski Banquet Coordinator, 908 Knob Hill Road, Burnsville, MN 55337.

If you would like to donate an auction item, please contact Steve or Kathy Gaskill at 612-894-7621.

## Team Birkie Camps for Seniors and Masters Announced

In order to make the information and coaching of Team Birkie programs available to all cross country skiers, the Team Birkie staff will host a series of four Team Birkie booster camps for seniors and masters.

The camps will be run by Team Birkie coaches Lynne Cecil and Steven Gaskill and supplemented with other top coaches and Team Birkie athletes. Steve and Lynne will work together for the first three camps and Lynne will host the Thanksgiving program.

Each camp will include a heavy dose of technical work and physical training, as well as lessons in theory and equipment.

Participants will need to have roller skis (rentals available with NNN and Profile bindings), roller blades may be substituted for roller skis but a little inconvenient, poles for skating and diagonal and running shoes.

All participants will receive a great package of useful materials at the camps including a Team Birkie T-shirt, a Team Birkie or Working Skier Training Plan by Steven Gaskill, and their choice of any of the technique videos by Steven Gaskill. This package alone is worth well over half of the tuition cost.

Tentative weekends for the booster camps are June 22-23, September 28-29, and November 2-3 (with lecture Friday evenings). The Thanksgiving camp is scheduled for November 29-December 1.

Please contact the Birkie office at 800-722-3386 (WI) or 800-872-2753 (US) for further information.

Information regarding lodging in the area can also be obtained by calling the Birkie office.

## Helpful Hints for '92 Registration

Here are some important suggestions for you to keep in mind when filling out your registration form.

- **REMEMBER** to mark which race you intend to ski.
- Print your name and other personal information clearly.
- Calculate your age as of 12/31/91.
- The 25% Club box applies only to the 1991 Birkebeiner race.
- Be as accurate as possible with the number of Kortelopes or Birkebeiners you have completed. DNF's and DNS's don't count as completed races.
- Carefully read the **start placement criteria** information presented on the registration form. Check back in your Birkie archives for your past race information and remember that you are looking for the **best PACE TIME**.

• If you are paying by credit card, please give us your complete and legible numbers and don't forget the expiration date.

• Read and sign the Athlete's Release form.

When you are sure you've com-

pleted the registration form, check it once more to be positive. The more accurate you are, the faster your registration form will be processed, you will receive the confirmation card and be confident that you will be able to pick up your bag without missing a stride on your way to the start of the 20th American Birkebeiner.

## New Wave Criteria for 1992

In order to place registered skiers in the proper waves according to skiing ability, seed placement criteria has been changed for the 1992 Birkebeiner and Kortelopes. Please refer to the race application for the revised seed placement criteria.

### START PLACEMENT CRITERIA - QUALIFYING RACES

If you have skied the American Birkebeiner in the last five years, you **MUST** use your best time of those races (1987-91) for seeding into the Birkebeiner.

If you are skiing the American Birkebeiner for the first time, you may use the 1991 Kortelopet, or races with a minimum length of 42k run on the regular course, of the Worldloppet, Great American Ski Chase, or the Central Marathon Series, which have taken place from February 23, 1991 to the present.

For placement in Waves 1 and 2 of the Birkebeiner or Kortelopet, **ONLY** qualifying finish times from the 1987-91 Birkebeiner or the 1991 Kortelopet will be accepted.

If you are registering for the Kortelopet (29k), you may use your best time from the above races or the short races (at least 25k) run in conjunction with the above races, or the Hayward Lions Club Pre-Birkie race which have taken place from February 23, 1991 to the present.

If you have not skied any of the above races, but have skied a Birkebeiner or Kortelopet race previous to 1987, you will be placed in Wave 6. If you have not skied any of the above qualifying races, you will be placed in Wave 7.

### ATHLETE'S RELEASE. 1. ACKNOWLEDGEMENT AND ASSUMPTION OF RISK AND RELEASE

I, \_\_\_\_\_, know that alpine, nordic and freestyle skiing are action sports carrying significant risk of serious personal injury, death or property damage. I also know that there are natural, mechanical and environmental conditions and risks which independently or in combination with my activities may cause property damage, or severe or even fatal injuries to me or others.

I agree that I am alone responsible for: (a) my safety while participating in competitive events and/or training for competitive events and, (b) providing, utilizing and maintaining that equipment necessary for the safe enjoyment of my participation in such events and specifically acknowledge that the following persons or entities including the United States Ski Association, the United States Ski Team, the United States Ski Coaches Association, the ski area, the promoters, the organizers, the promoter clubs, the officials and any agent, representative, officer, director, employee, member or affiliate of any person or entity named above are not responsible for my safety. I specifically RELEASE and DISCHARGE, in advance, those parties from any and all liability whether known or unknown, even that liability may arise out of negligence or carelessness on the part of persons or entities mentioned above. I agree to accept all responsibility for the risks, conditions and hazards which may occur whether they now be known or unknown.

Being fully aware of the risks, conditions and hazards of the proposed activity as a competitor, coach or official, I HEREBY AGREE TO WAIVE, RELEASE AND DISCHARGE any and all claims for damages for death, personal injury or property damage which I may have or which may hereafter accrue to me as a result of any participation in competitive events or training for competitor events, against any person or entity identified above whether such injury or damage was foreseeable or not, including any such claims regarding the design or condition of any equipment utilized by me in such competitive events without regard to whether such equipment is specified or recommended by such persons or entities identified above.

I further agree to forever HOLD HARMLESS and INDEMNIFY all persons and entities identified above, generally and specifically, from any and all liability for death, personal injury or property damage, resulting in any way from my participating in competitive events or training for competitive events.

I currently have, and I agree to maintain throughout the time that I train and compete, valid and sufficient medical and accident insurance. I understand that this is my sole responsibility and release all persons and entities identified above from providing this coverage for me.

I agree that I will accept and abide by the rules and regulations of the U.S.S.A. and any other rules or regulations imposed by the organizers of any particular competition. This Acknowledgement and Assumption of Risk and Release shall be binding upon my heirs and assigns.

**SIGN HERE X** \_\_\_\_\_ Member: \_\_\_\_\_  
By signing this Acknowledgement of Risk and Release as Parent/Guardian, I am consenting to the competitor's participation in competitive skiing and training and acknowledge that I understand that any and all risk whether known or unknown, is expressly assumed by me and all claims, whether known or unknown, are expressly waived in advance.
