OFFICIAL PUBLICATION OF THE AMERICAN BIRKEBEINER

SPECIAL EL NINO RESULTS EDITION

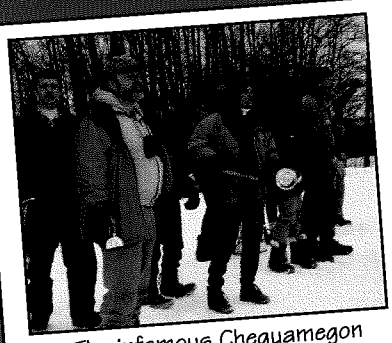

AMERICANS SWEEP THE BIRKIE!

THE MEMORABLE 26TH!!

The infamous Chequamegon Fat Tire Man says "Where's the lead mountain bike?"

Où sont les toilettes?

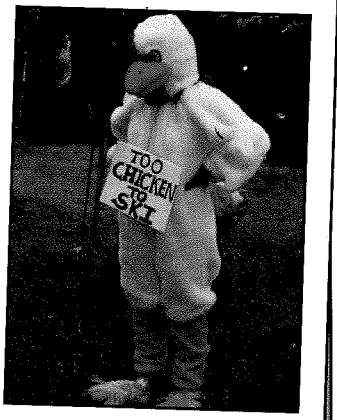

Where's the baby??
I have to find the baby!!

I think I need a Puffs!

The firing squad taking aim at "Al Niño".

The only honest bird in the crowd.

Birkie Fever. Determination. The power of positive thinking. New Executive Director. Volunteer commitment and flexibility. Skier commitment. I'm sorry Wave 1, 2 and 3 are closed. Hayward Inn fire... thank goodness we moved the office. This can't be February in Wisconsin. Doing the snow dance. Internet trail reports. Voicemail trail reports. Talk about a frozen lake race... running the race in reverse... looping back Telemark... postponement...event cancellation.. Are you crazy? Good afternoon Dyno American Birkebeiner ... the race is still on. Endless busy signals. Computer hacker says warmer weather ahead. Hayward Lake freezes and thaws 52km. Main Street... 48km Duffy /Birkie Field...then 25km "00". Birkie credit for the Korte distance. Low snow. No snow. Snow with a high moisture content. Grassy bare spots. Shovelers needed. Truckloads of snow, sawdust and gravel. Klister. Rock skis. Trail closed. Above freezing temperatures. Tony Wise must be looking over us ...as the eagles circle overhead at Opening Ceremonies. Sons of Norway/Swiss Miss Barnebirkie ski race ... has been changed to a FootLoppet for 1200 kids. Salomon Elite sprints ...no it's roller skis. 10 minutes between waves. New start area- Cable airport. New finish area - "00" Finish. Real classic tracks. Dirt ahead... walkers left, skiers right. Timing snafu. I've never finished in the top hundred before and I started in wave 10! USA winners and Volvo cars. Carl Swenson. Jen Douglas. Long lines for buses. The grooming crew was amazing. We are going back to ski it again with the wave 10 guys. No coliseum at Telemark. LCO Casino. I couldn't get in. I won the jackpot! Hundreds of e-mails and letters of encouragement and congratulations from skiers and the press.
The Paul Harvey show. NBC Nightline. Outdoor Life Network.
I'll be back to do it again!

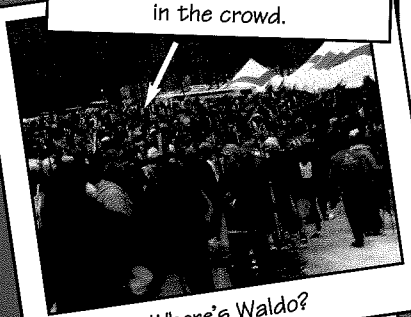

They all describe the buzz words of El Niño Birkie of '98. It didn't make a difference "weather" the race was 52km, 48km or 25km, the people who make and believe in the race would have still skied and volunteered!

Tradition. Friendship. History Making. Birkie Fever.
The Greatest Show on Snow.
Thank you skiers, sponsors and volunteers for being a part of it...
We'll see you next February 25-27th!

Thinking it better snow next year,
Gretchen Bercaw, Executive Director

Let's finish first ... then you can have your cookies.

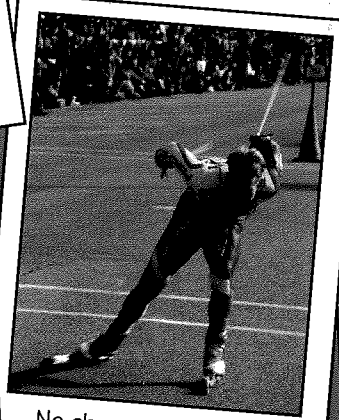

Where's Waldo?

'Bout time they got some shots of women in this publication!!

What country are you from?

No chance of frostbite, but watch the road rash!

The classic track enforcers!

Everyone's a winner!

El Nino tried, but did not succeed, in its effort to spoil the Dyno Amer-

Registration News

Because of the unusual nature of this year's race, we have made a few changes in the criteria for 1999. The top 200 men from 1997 and 1998 will be eligible for the men's elite wave for 1999. The elite women's wave will consist of the top 50 women from 1997 and 1998.

The 25% club will not be in effect this year. Because the Birkebeiner was shortened to 23 K's (the official distance) and was the same distance as the Kortelopet, the decision was made to eliminate the 25% club status for the Birkebeiner this year. It will return again in 1999!!

Take note of the list of qualifying races for 1999, especially the three new ones, the Red Earth Loppet, the Great Bear Chase and the Badger State Games.

You will find the new placement criteria in the race information section which includes the registration form. The Birkebeiner and Kortelopet percent back figures are listed as well as the finish times from 1995 through 1998 which correspond to wave placement. You will note that because the 1998 race length was the same for the Birkebeiner and the Kortelopet we used the same basis for both races.

Also new for 1999: the age that participants are allowed to enter the Birkie has been changed to 16. This creates a new age class of 16-18, and makes the next age class 19-24.

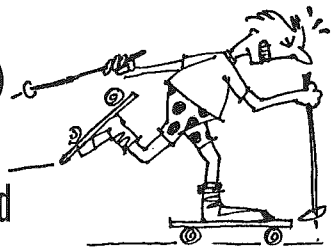

We encourage you to read the fine print in the information section as change dates and other pertinent information may change from year to year.

We look forward to seeing you in 1999.

Take just one look at Honka and you'll see why we are the world leader in log homes.

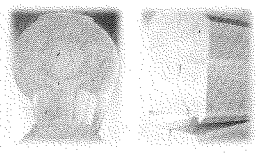

You'll see it in our logs. We harvest only mature Nordic pines, from the sustainable forest of Finland, and use only the core which is dryer than the surrounding sapwood.

Honka's windows have double panes for full thermal insulation.

You'll see it in our windows. Unlike other log home makers, we manufacture our own Euro-style tilt-and-turn windows to keep out noise and weather, and keep in cozy comfort.

As a result, every inch of every Honka Log Home is perfectly inviting.

The patented profile of our round and rectangular logs incorporate "teeth" that keep our log walls tight year after year.

For complete information on Honka Log Homes, please write or phone us today.

Correction In the list of American Birkebeiner past winners in the '98 Pre-Race Birch Scroll, Muriel Gilman of the US, was inadvertently omitted as the winner of the '81 citizens race with a time of 3:22:36. In '91, Kelly Kimball of the US, with a time of 1:04:18, was the womens' winner of the Kortelopet.

We apologize for these errors and would like to congratulate Muriel Gilman and Kelly Kimball for their accomplishments!
