Welcome to **BIRKIE!**

On behalf of the ABSF Board of Directors, staff, volunteers, and community, welcome to the 52nd Anniversary of the American Birkebeiner during the 2026 Winter Olympics! We hope you're ready to embrace your Olympic moment on in Downtown Hayward!

After two challenging years, winter in the Northwoods is back! Ever since Thanksgiving week brought a dumping of snow back in November, Mt. Telemark Village has come to life as North America's premier cross-country ski destination. The snow has been consistent, along with the cold. This is what winter in Northern Wisconsin is supposed to be.

With such a wonderfully snowy season, this week couldn't come soon enough. Birkie isn't just a race—it's a tradition, a celebration, and a test of endurance, passion, and community spirit. Whether you're here to ski, cheer, or take in the electric atmosphere, we're committed to delivering an incredible experience.

Be sure to review this guide for key updates and changes to this year's event. Whether it's your first Kortelopet, third Prince Haakon, or sixteenth American Birkebeiner, being prepared will help you make the most of your race.

2026 has already been an incredibly successful winter, and we're looking forward to this Birkie Week of skiing celebrations as the pinnacle of this ski season. Huge thanks to our community, volunteers, and everyone working behind the scenes to bring you a world-class event. If you have any questions, reach out—we're here to help. See you at the finish line on **Main Street, Hayward!**
