(Technical, rock gardens, multiple line choices)
 - Difficult
(More mandatory features, bigger rocks, higher gradients, narrower corridor)
 - CAMBA Trail Connectors
 - Trail Hub

Scan to view trail maps and conditions

Note: The Mt. Telemark Village trails follow the standard trail rating system, but riders should be aware that these trails are more gravity-focused and technical than typical cross-country trails.

Expect faster descents, narrower paths, increased speed, and a greater number of features throughout the system.
